

Trusted. Simple. Effective.

# Ariel S6 Emulsifier

Liquid laundry additive, for use with the Ariel Professional System

Formulated to boost greasy stain removal.

Use S6 with the Ariel Professional System

...for outstanding business results

## Trusted

- From the makers of Ariel

## Simple

- No matter what your key laundry goal is, there is an Ariel Professional System for you.

## Effective

- Boosts effective degreasing and washing of heavily soiled linen.
- Improves the stain removal performance on a variety of greasy stains and body soil, e.g.
  - Food grease
  - Cosmetic lotions / spa oils
  - Mechanic oil
  - Sweat
- Near pH neutral formula.
- Does not contain phosphates. Does not contain enzymes.
- Does not leave behind chemical overtones on the linen nor malodor on the fabrics.
- To be used with Ariel S1 Actilift Detergent.

### ★★★★★ Satisfy your guests

Cleanliness can help you improve your ratings & reviews and generate incremental business.

### Minimize your total operating cost

The Ariel Professional System can help you worry less about the cost of rewash.

### Contribute to a more sustainable development

Rewash is also associated with energy water and chemical consumption.

### Care for your staff

The Ariel Professional System can help make your operations more efficient by delivering cleanliness from the first wash.

every experience counts.™

# Technical information

## Research & Development Corner

## Degreasing Technology

The S6 formula has a surfactant system designed to capture greasy stains from the fabric by suspending them in the wash water, ensuring they are rinsed away, and not redeposited back onto the fabric.

Note: this is an example image only.

### Technical Description

- **EAN code:**
- **Appearance:** Clear yellow liquid
- **Smell:** Unperfumed
- **pH (1%):** 7
- **Density:** 1g/ml
